

# evening cruise along the river of kings

3.5 Hours

Embark on a magical evening cruise along the River of Kings, where stunning views and enchanting tales await you!

As you glide along the river, admire a stunning juxtaposition of ancient temples and modern skyscrapers, where trendy boutiques coexist with century-old shops offering traditional delicacies like congee and roast duck. Accompanied by a Thai historian, you'll gain deeper insights into the river's crucial role in shaping the cultural, historical, and economic fabric of Bangkok, affectionately known as the City of Angels.

Embark on a captivating evening cruise along the majestic Chao Phraya River, known as the River of Kings, which stretches nearly 400 km from central Thailand to the Gulf of Thailand. Board a lovingly restored rice barge and set sail for an unforgettable journey through Bangkok's vibrant landscape.

Savor a feast of exquisite Royal Thai cuisine as the setting sun casts a golden glow over the water, creating a magical ambiance filled with the sights and sounds of ferries, barges, and steamboats navigating the river. This enchanting experience combines fine dining with rich cultural exploration, making it a perfect way to appreciate the beauty and history of Bangkok.
